- Biodegradable and VOC compliant

Net Contents:

- ☐ 1 Gal (3.8 L) ☐ 55 Gal (208.2 L)
☐ 2.5 Gal (9.5 L) ☐ Other _____
☐ 5 Gal (18.9 L)

Made in the U.S.A.

Mfg By: EST Inc.
15785 S. Keeler Terrace
Olathe, Kansas 66062

CONDITIONS OF SALE

Always follow all label directions. The manufacturer cannot control weather conditions, methods of application nor the condition of the area at time of application. Buyer assumes all risks of use, storage or handling of this product when used in a manner inconsistent with label directions. EST Inc. will not be responsible for any injury, loss, or damage if product is used or stored in any manner not in compliance with label/tech sheet directions or if precautions are not observed.

DESCRIPTION:

This uniquely formulated laundry detergent is designed to **disinfect**, wash and clean clothes with optimum cleaning power. It leaves clothes clean, bright, soft, and smelling fresh.

Designed for all fabric types. Pre-soaking may be required for heavily soiled and stained fabrics.

Use pre-spotter on stained fabric before washing.

DIRECTIONS:

For top loading machines: use 1/2 cup per load.

For front-loading machines: use 1/4 cup per load.

For large capacity industrial machines: ½–1 cup per load.

Use **Non-Chlorine** (Oxygen) Bleach for extra whitening.

FIRST AID

EYES: Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention if irritation persists.

SKIN: Flush affected area with plenty of water. Consult a physician if irritation develops.

INGESTION: If this product is swallowed **do not** induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration (breathing) of liquid into the lungs. Get emergency medical attention immediately

FOR INDUSTRIAL OR INSTITUTIONAL USE ONLY

KEEP OUT OF REACH OF CHILDREN

KEEP FROM FREEZING
